## OGDEN MANUFACTURER COMPLETES LONG JOURNEY

(Continued from Page Four.)

even those that were closed up at the first of the year as saloons are occupied by other business concerns, all of which are doing nicely.

Leaving this section of country, Tucson was the next principal city, made up of a population of Americans, Mexicans, Chinese and Indians. This city is 135 miles from Phoenix, Arizona. After leaving Tucson, El Paso, Texas, 350 miles distant, was reached. The railroad skirts Old Mexico very closely, and at several places soldiers are kept along the border. At El Paso the thermometer registered over 90 in the shade. Fort Bliss is located on the hill about six miles from the city, where about 3000 soldiers are kept. There are also about 2000 soldiers scattered along the Rio Grande, which divides Texas from Mexico.

The sporting town of Juarez is only a short distance over the river by street car. Each person is carefully scanned on arrival of the car on Mexican soil, and on return they are questioned as to whether they have Mexican goods or liquors in their possession. Juarez is a typical Mexican town, with low adobe houses and dirt roofs that are flat. Many people may be seen on the streets selling candy, cakes and novelties. The streets show that very little work has been done on them, and when an automobile passes one has to wait until the cloud of dust rolls away before going farther.

The principal places of amusement are the race-track, of national fame, the bull fighting and rooster fighting with their Monte Carlo patrons, both men and women. Crowds of men surround the many tables, playing cards for money, and many gambling wheels are in operation.

Returning from Juarez to El Paso, the train passed through Albuquerque, where it is to be found a thriving business city, with its Alvarado hotel, which covers, with its grounds, three acres of land, adjoining the Santa Fe railroad depot.

Denver was the next city visited. Two days were spent by the Ogden man in Denver, during which time snow or rain was on the program. We had passed from a temperature

of 90 degrees in the shade to 32 degrees, freezing.

A trip through the Royal Gorge in an observation car showed the magnificence of our western mountain scenery, and in due time the 782 miles were covered and Mr. Wether- spoon arrived in Ogden.

Mr. Wether- spoon says that his journey was made in the interest of the Shupe-Williams Candy company. He made the trip for the purpose of opening up a larger business, which, no doubt, will result in an increased output for the year.

The trip showed that the Ogden enterprise is going far out for business, and Mr. Wether- spoon thinks it would be well for other manufacturing concerns of Ogden to do likewise, and thereby increase the payrolls of Ogden. He contends that Ogden is so situated that it is bound to be the manufacturing center of the great west.

**W. L. UNDERWOOD WILL SUCCEED KINGSBURY AT DEE JUNIOR**

The board of education held a short meeting last night ratifying the appointment by Supt. J. M. Mills of Prof. Marcellus Smith as instructor of music in the Ogden high school with a salary of \$1000 a year, and W. L. Underwood as principal of the Dee Junior high school, succeeding P. S. Kingsbury, resigned.

At the suggestion of Director H. H. Henderson, the board decided not to conduct a summer school this year, but to give permission to a group of teachers to use the school buildings to conduct a semi-public summer school, if they so desire. The board also passed a resolution to permit the placing of religious books of any denomination in the public school library.

## NEWSPAPER FAKE SUBSCRIPTION CONTESTS

Condemned by the Ogden Examiner Two Years Ago as a Fraud and a Farce to Be Pulled Off by That Paper Under Its Own Brand of Fraud and Falsehood—Public Is Warned That the Examiner Vouched for the Unreliability of Its Own Contest.

The Examiner announces that it will pull off what is a fraud and unlawful. In the fall of 1912, the Standard was conducting a prize contest, that is, was giving from 1000 to 20,000 "points" or votes for the collection of money for subscriptions. The Examiner announced that all such contests, whether for "points" or votes and no matter which paper conducted such contests for points or votes, were fraudulent and an imposition on the public. The Examiner further said that such subscription contests were in violation of the postal laws of the United States and that every person taking part in such contest was liable to go in to trouble with Uncle Sam, and now the Examiner is going to give one of those same contests, which it said was a fraud and a fake and a violation of the law.

Out of its own mouth the Examiner convicts itself.

**COMMENCEMENT BY THE SCHOOLS OF THE COUNTY**

With three hundred young voices in acclaiming intellectual achievement in song, 600 patrons and friends assembled at the Ogden Tabernacle this morning at 11 o'clock for the commencement exercises offered by the eighth grade students of the Weber county public schools. It was a momentous occasion for the girls and boys, who had completed a part of their work in school.

Perhaps the most interesting graduating exercises were never before given in the county schools and it is said that a more accomplished class of students never passed the eighth grade mark. There were 128 of the students about evenly divided between boys and girls.

The Tabernacle building was prettily decorated with American flags, and white and blue bunting. The decorations were not of an elaborate nature and simplicity marked the exercises in every detail. Professor Albert J. Powell directed a chorus of 300 boys and girls in songs that thrilled the audience with patriotism. The songsters were selected from all the twenty-one schools of the county and their chorus renditions were of the highest merit.

**Lagoon Opening Dance, Saturday Evening, May 29th. Military Band Concerts every Sunday afternoon and evening. Fare 25c**

**OGDEN ON ROUTE OF MOTORCYCLE ROAD RACE**

Ogden has been designated as one of the official checking stations in the Salt Lake to Blackfoot, Idaho, motorcycle road race to be run tomorrow and between twenty and fifty machines will pass through the city early in the morning. The race will be conducted under the auspices of the Federation of American Motorcyclists.

**NEW YORK GOVERNOR ENJOYS TRIP THROUGH OGDEN CANYON**

Governor Charles S. Whitman of New York and party of twenty-nine, including eight ladies, made a three-hour stop in Ogden today and greatly enjoyed the visit. The lengthy stay of the party was entirely unexpected by local residents and was arranged through the suggestion of Assistant Superintendent S. R. Toucey of the Wyoming division of the Union Pacific early this morning. Mr. Toucey assumed charge of the special train at Green River, Wyo., and finding it would reach Ogden more than two hours ahead of its scheduled time, proposed that the party pass the extra time in visiting Ogden. The suggestion was received with favor and the New Yorkers remained here from 10:40 a. m. until 1:40 p. m.

Governor Whitman is making the trans-continental trip for the purpose of visiting the California expositions and has set all political business aside until his return to New York. His departure from New York was made shortly after completing his official business in connection with the thirty-day period following the adjournment of the legislature. The trip marks the first time he has been at Ogden since 1911 and though he has received many invitations to make addresses en route, these have been declined as being in opposition to his desire to make the trip one of pleasure only.

The governor's special consisted of six cars and was turned over to the Union Pacific at Omaha. It left Omaha two hours behind the Overland Limited, but was handled by the Union Pacific in such a way as to overtake the Limited in Nebraska and to arrive in Ogden two hours ahead of it. When the party arrived here the governor, Mrs. Whitman, Miss Olive Whitman, eleven other members of

the party were taken for an automobile ride through Ogden canyon and entertained at a trout and chicken dinner at the Hermitage hotel by Assistant Superintendent Toucey as guests of the Union Pacific.

The visit to the canyon was immensely enjoyed by all, one of the members of the party expressing a general opinion of the beauties of the mountain gorge by saying that it was the most beautiful scenery he had seen since he returned from Switzerland several years ago.

Governor Whitman stated that he was very glad that the visit to Ogden and the canyon had been made possible and congratulated Mr. Toucey on the "boosting" spirit he had displayed in arranging it. The special departed for Salt Lake City at 1:40 o'clock, where a big program of entertainment was arranged for the party.

**ALLEGED FORGER NOW FACES TRIAL IN SALT LAKE**

Walter Allen was arrested in Salt Lake yesterday on the instance of Sheriff T. A. DeVine, but the sheriff states that the young man will likely be prosecuted in Salt Lake county for forgery, the same charge filed against him here.

During the past few days Allen is alleged to have forged a number of checks in Ogden and received money on them. He was located in Salt Lake and when the officers arrested him they learned that he had forged checks there, it is said, and a charge of forgery was immediately filed against him.

Allen is the young man who, a number of months ago, appropriated Dr. E. I. Rich's automobile to his own use and drove it into the country. The machine was damaged to considerable extent and the young man gave his note for the amount of the damages. The doctor declares he has not realized on the note.

**POPULATION INCREASE 82 PER CENT IN WEEK**

The weekly report of George Short, city health inspector, gives a record of thirteen births, seven males and six females, as compared with three deaths, two males and one female. As to contagious diseases, however, the report is not quite so good, there being five cases of small-pox out of nineteen homes quarantined. Of the other fourteen cases, six were of whooping cough, six of measles and one of scarlet fever and one of typhoid fever.

The weather report, issued by Observer R. E. Shorten from the health office, is as follows:

Date	High	Low	Precip. in.
23	67	43	.08
24	79	52	...
25	76	45	.17
26	63	42	...

**DEE JUNIORS WIN SCHOOL CHAMPIONSHIP**

The Dee Junior high school baseball team won the championship of the junior high schools league yesterday afternoon through forfeiture of the final game by the Lewis school and the winning of a game on Tuesday afternoon from the Central school team. Last year the pennant was won by the Lewis school.

The Dee school now holds the junior high school baseball, football and basketball championships and also honors in the first annual track meet.

**PRINCIPAL KINGSBURY HONORED BY THE DEE JUNIOR STUDENTS**

P. S. Kingsbury, principal of the Dee Junior High school, met with two pleasant surprises yesterday morning. The first came when he entered room 8, the classroom of the freshmen, when Charles Wood, on behalf of the class, presented the principal with a man with a beautiful ruby ring as an emblem of the deep respect and unbroken affection with which the class regards him.

This class entered the Dee school at the same time as did Mr. Kingsbury. Mr. Wood spoke of the high ideals inspired by their principal's words and example, and of the splendid training the boys and girls have received, enabling them to meet both victory and defeat in a sportsmanlike manner in all phases of school life.

In response Mr. Kingsbury assured the class of his regard and respect, and commended them for the absolute loyalty that each one had manifested toward the school, the teachers and himself.

Shortly after this event the prin-

cipal was summoned to the room of the seventh-D class on the pretext of looking over the book account. Here Dale Harris, speaking for the class, proffered a tie pin of rubies and pearls as a token of affection to "the most highly respected principal, the best friend, the man of highest ideals, that ever inspired a class to nobler aims and to higher endeavors." He expressed the keen regret the class feels because of the resignation of Mr. Kingsbury from the school. The speaker conjured the spirit of the future and commanded her to share all the good things in her storehouse with the retiring principal.

Mr. Kingsbury in an appreciative acknowledgment of the pupils' regard said that he should always remember with real pleasure the time spent among the young people of the Dee school, and that his greatest regret in entering upon a larger work was in parting from them.

**C. C. MICHENER TO MAKE HIS HOME IN OGDEN**

President C. C. Michener, of the Food Products company of Oregon, arrived in Ogden yesterday afternoon from the northwest, accompanied by his wife and family. They will make their future home here and will pass the summer in Ogden canyon.

Mr. Michener is also a director of the Food Products company of Utah and the consolidation of the two companies, as previously planned, will be completed within the next few days. As soon as possible after the consolidation work will be started to remodel the old Craig cannery at Twentieth street and Wall avenue as an "Everfresh" food products plant.

**CIVIL WAR VETERANS WILL ATTEND SERVICE IN BODY**

Members of Dix-Logan Post, Grand Army of the Republic, together with ladies of the Lincoln and members of the Women's Relief Corps, will be the honored guests at morning services in the First Methodist Episcopal church at 10:30 o'clock tomorrow. Members of the various organizations have arranged to meet and march to the church.

The following is the detailed program of the memorial service:

Organ Preludes—Patriotic Hymn. Prayer. Hymn. Scripture. Ladies' Trio... Sovereign of Nations Offertory—Organ—Patriotic Solo—"My Dream of the U. S. A." Sermon—"The Militant Spirit" Rev. G. F. Rasmussen. Postlude—Organ—Patriotic Hymn.

The usual Bible study will follow the service.

**SPEED KINGS WIN FROM FIFTY NINE, 29 TO 7**

**ANOTHER CHINESE HEALER ARRESTED**

In the municipal court, Dr. Wy Hop, a Chinaman, has been charged with practicing medicine without a license. The specific charge is that he treated Lorenzo Olsen of Huntsville for stomach trouble. A warrant for Hop's arrest has been issued and he will be placed in the custody of the officers this afternoon. He is located on Lincoln avenue and recently came from Reno, Nev.

**CANYON CAR SERVICE WILL BE INCREASED**

Tomorrow and on Decoration day frequent car service will be given to Ogden canyon points if weather is favorable. The last car will leave the canyon terminal at 11:15 p. m. On both days the North Ogden car will be operated to Hot Springs, leaving Twenty-fifth street five minutes before each hour. Only the regular red tickets will be accepted on the North Ogden car and only regular interurban transportation tickets will be received on the Brigham car. There will be no round trip tickets for the North Ogden car.

The transportation superintendent of the Ogden-Logan & Idaho Railway company states that regular canyon car service will begin June 1, the cars leaving for the canyon at 8 a. m. and every 45 minutes thereafter, until 10:30 p. m. The last car will leave the Idolewild at 11:15 p. m.

**WORLD'S MARKETS**

New York, May 29.—Trading in stocks was almost at a standstill today, the impending holidays, coupled with the probability of the publication of Germany's reply in the interim, making for increased caution. Prices tended lower in the early dealings, war shares and other specialties scoring declines of 1 to almost 2 points. United States Steel fluctuated within a point and other favorites move more narrowly. Reading and Rock Island fell a point and Missouri Pacific steadied on further deposits of notes under the extension plan. The list showed general improvement later. The closing was firm. Bonds were easier.

**SOUTH OMAHA LIVESTOCK.**

South Omaha, Neb., May 29.—Hogs—Receipts, 8600; market strong. Heavy, \$7.40@7.50; light, \$7.50@7.55; pigs, \$6.75@7.50; bulk of sales, \$7.45@7.52 1-2.

Cattle—Receipts, 100; market steady. Native steers, \$7.50@8.00; cows and heifers, \$6.00@8.10; western steers, \$6.50@8.00; Texas steers, \$6.00@7.40; cows and heifers, \$5.80@7.35; calves, \$8.25@10.75.

Sheep—Receipts, 100; market steady. Yearlings, \$8.00@9.00; wethers, \$7.50@8.25; lambs, \$9.00@10.15.

**Chicago Grain**

Chicago, May 29.—Prospects of better weather gave the bears an advantage today in the wheat market here. Lower quotations from Liverpool tended also to favor the selling side. In addition, the fact that high premiums for May delivery would end today, acted as a decided handicap to the bulls. Opening prices, which ranged from 1-8c to 1-12c lower, were followed by material declines all around.

Corn receded with wheat. Indications of improved field conditions counted further toward easing prices off. The market, after opening 1-4c down to a shade advance, underwent a moderate general sag.

Traders in oats took their cue from other cereals. There was a fair volume of business.

Provisions held about steady. What action there was in prices appeared to depend chiefly on the course of the hog market.

Absence of export call resulted later in a more pronounced setback in wheat. Offerings of May, however, were scarce near the end of the session and there was a sharp rally in that option. The market closed unsettled at 1-8 to 2-12c under last night. No reaction in corn ensued until near the close. Prices finished easy at 1-8 to 1-12c net decline.

Chicago, May 29.—Wheat—No. 2 red, \$1.38 1-2; No. 2 hard, \$1.39@1.40; Corn—No. 2 yellow, 76@76 1-2c; No. 4 yellow, 74@74 1-2c; Oats—No. 3 white, 51 1-3@51 1-2c; standard, 51 3-4@52c; Rye—Nominal; Barley—73@79c; Timothy—\$5.00@6.75; Clover—\$8.50@14.00.

**CARD OF THANKS**

We wish to extend our heartfelt thanks to all those who so kindly assisted us in the sickness and death of our beloved daughter and sister, Ethel. We also wish to thank those who spoke words of comfort, those who sang so beautifully and to all those who sent floral offerings. May God bless each and every one that they may receive the same kind treatment in their hour of bereavement. MR. AND MRS. S. WHEELWRIGHT AND FAMILY. Advertisement.

**Deaths and Funerals**

**RHEES**—The funeral of Donald Rhees was held yesterday in the Pleasant View meeting house, with Bishop's Counselor Henry L. Jensen presiding. The speakers were Joseph Bidwell, Leroy Barker, W. G. Cragun and H. L. Jensen. Special music was furnished by the ward choir, William Dredge, William Manning and Mrs. Nettie Marshall. Eight boy friends of the deceased acted as pall bearers and the interment was in the North Ogden cemetery.

**COLE**—Funeral services for John Teran Cole will be held in the Second ward meeting house tomorrow at 2 p. m., with Bishop Robert McQuarrie presiding. The body may be viewed at the family home, 240 Twenty-sixth street this evening and tomorrow until 1 p. m. The interment will be in the city cemetery. Automobile cortege.

**RIGGLE**—Funeral services for George C. Riggle, who died yesterday at his home, 940 Twenty-second street, will be held Monday at 2 p. m. at the Kirkendall chapel. Reverend Carver will preside. Interment Ogden City cemetery.

**BUSSE**—Funeral services for Harry B. Busse of Evanston, who died at the Dee hospital yesterday, will be announced when word is received from relatives at Leavenworth, Kans. The remains are at Kirkendall's chapel.

Denver, Colo., May 29.—R. W. Cowan, 52, chief engineer of the Colorado & Southern railroad for many years, and a well known western railroad man, died suddenly at his home here today of heart failure.
